Are you 14+ and would you like to try sailing?

As part of our events programme it was agreed to put something on for the older group and with this in mind we are trying to arrange a Try Sailing Day at Bala sailing club in the summer.

This is organized in conjunction with Gwynedd Council and Bala Sailing Club. All equipment and qualified instructors are provided. The cost is around £15 and includes half a day sailing and lunch and is limited to 10 places for a session. At present we are putting this out to see what interest there may be, and we can then make further enquiries.

If you have any other suggestions for activities for this age group please let us know.
